## Our Heritage

The late Rev. James R. Reynolds, Sr. founded the Deliverance Center in 1967 at 1008 Congress Street in Portland, Maine with the aid of several volunteers. In time, Rev. Reynolds' own family members have become a part of daily functions at the Deliverance Center along with several very dedicated volunteers.

Initially, the Deliverance Center helped and worked for the transformation of alcoholics and drug addicts. This focus is especially seen in its name, as being a place of deliverance from any bondage of sin.

The Deliverance Center was birthed as a local church out of this "street ministry" and practical help.

In 1969, DC expanded to include an educational facility. The first of its schools, Deliverance Bible Institute, was established to train young adults for Christian service in a three-year course. From 1979-2010, Christian Academy of Portland extended the student body and curriculum to include grades K-12. Today, Deliverance Bile Institute and the education vision of Deliverance Center is realized through Bible exchange.
